

Attempted Burglary

UCIPD received a report that on April 18, 2021, at approximately 9:50 p.m. an attempted burglary took place at Plaza Verde student housing. The reporting party woke up to a rustling sound outside her bedroom window. The reporting party looked out of her window and saw the silhouette of a male subject on the other side. The reporting party banged on the window to scare the suspect and saw him walk away. The reporting party described the male suspect as having dark medium length curly hair and was wearing dark colored clothing. The investigation revealed that the suspect removed the window screen during the attempted burglary. UCIPD canvassed the area and did not find the suspect.
